FELT LIKE AN IRON BAND AROUND HEAD

This Is How Lynchburg, Va., Woman
Declares Her Headaches Often
Affected Her.

Everybody will read with interest the statement of Miss M. E. Woodford, 1808 Filmore St., Lynchburg, Va., who says:

"I don't believe anybody ever suffered from headaches like I did. The pains felt like an iron band was being drawn around my head and my temples would throb until I was driven almost distracted. I shudder when I think of those awful headaches. I had no appetite either."

"I owe Tanlac an everlasting debt of gratitude for entirely ridding me of those terrible headaches. My stomach has been toned up too, and everything I eat agrees with me now. Tanlac certainly brought me health and happiness."

Tanlac is sold in Paris by all leading druggists.—A.V.

Mother! Move Child's Bowels With California Fig Syrup

Hurry mother! Even a sick child loves the "fruit" taste of "California Fig Syrup" and it never fails to open the bowels. A teaspoonful today may prevent a sick child tomorrow. It constipates, bilious, feverish, fretful, has cold, croup or if stomach is sour, tongue coated, breath bad, remember a good cleansing of the little bowels is often all that is necessary.

Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

ORDER OF PUBLICATION.

R. T. Moody vs. F. L. Bailey
Before Guy C. Presnell
Justice of the Peace of Henry County,
Tennessee.

In this cause it appears by affidavit that the defendant, F. L. Bailey, is justly indebted to the plaintiff, and is a non-resident of the state, so that the ordinary process of law cannot be served on him, and an original attachment having been levied on his property and returned to me, it is therefore ordered that publication be made in the Parisian, a newspaper published in the City of Paris, Tenn., for four consecutive weeks, commanding the said F. L. Bailey to appear before me, at my office in Paducah, at 1 p. m. on the 15th day of January, 1922, and make defense to said suit, or it will be proceeded with ex parte.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It
Brings Back Its Beautiful
Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it dardens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
